How I work

- **One point of contact:** I am the one who answers you, estimates your project and builds it, from quote to launch.
- **A first 30-minute video call**, free and with no commitment, then a detailed quote within 24 h.
- **Everything is yours:** the code developed for you, your content and all your access details.
- **Indicative timelines**, stated in the quote; they also depend on your feedback and on the supply of content.
- **30-day warranty** after delivery on defects related to my work.

Prices in euros excluding VAT; the quote states the VAT that applies. Website creation: 30% on order, 40% on approval of the designs, 30% on delivery; other projects: 30% on order, balance on delivery. Quotes and contracts signed remotely, electronically. Paid module or theme licences, third-party subscriptions and hosting are the customer's responsibility. Full terms: datapet.fr/en/terms-of-sale

A few case studies

Parismatic Tour CRM

Custom software for a tour agency: 3,700 bookings and 3,200 mission orders managed since 2024.

Parismatic Tour

Hacked site back online in 2 days, then a custom booking site.

Soann Joaillier

Store migrated from PrestaShop 1.6 to 8.2, new design and custom modules.

Billards Bréton

PrestaShop store migrated to WooCommerce in one month, maintenance since 2023.
